An interactive workshop  
designed to give college women  
the confidence and skills they  
need to earn fair compensation.

**Tuesday, October 15, 2013, 5-8 p.m.**

**145 Sondra and David S. Mack Student Center,  
North Campus**

*Presented by The Wage Project*

Co-sponsored by Hofstra University's

Studies Program, Department of  
Rhetoric and the National Center for  
Suburban Studies at Hofstra University®

Over the course of her working life,  
a woman will earn roughly \$1 million  
less than a man, simply because she  
is a woman. The Wage Project is a  
group that works to end the gender  
wage gap by teaching negotiating  
skills to women.

Refreshments will be served.

This event is free and open to the public, but  
seating is limited. To reserve a seat, contact:
