Class of 1965

Stanley Howard Alexander

I graduated with a BA in history in 1965. I also earned an MALS from Stony Brook and an MPA from LIU CW-Post. I have been married to Lorraine for 39 years and enjoy traveling. I have three children and two grandchildren. In my 47th year as a history professor at Suffolk County Community College and continue to teach full time.

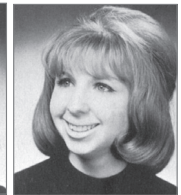

Barbara Steinman Bengels

In 1965 I graduated with a BA in English. I also have an MA in English and have been married to Dennis A. Bengels for 50 years. I love to read, write, spend time with my family, travel and go to the theater. I have happily taught at Hofstra since 1968 with wonderful colleagues and delightful students, and feel very connected to this school. I will always be grateful to Hofstra, first for giving me the full-tuition scholarship that allowed me to attend college, but also for giving me a first-rate education, something I didn't truly appreciate until I got to graduate school.

Martin Blank and Linda Solomon Blank

Martin Blank, BBA 1965, and Linda Solomon Blank, BBA 1965, are retired and live in Lake Worth, Florida.

Helen Ann Shellard Collins

I earned a BSEd in 1965 and am married to Richard Collins. I retired in 2000 after 35 years of teaching in Levittown Public Schools.

Janice Arlene Commentz

I earned a BS in music education in 1965. I taught music for 37 years before retiring in 2002. Among my many activities, I play viola in the Senior Pops Orchestra of Long Island and sing in a small choral group.

Ann Marie Cammarasana Cunningham

In 1965 I earned a BA in English. I was married in 1966 and divorced in 2000. I have two children, John and Christine. I worked as a substitute teacher. I am still employed and work for the Valley Stream Recreation Department. My sociology professor, Dr. Herbert Rosenbaum, had an influence on me. I became a Democratic committee woman in 1972 (still am). I was president of my Democratic Club and was a candidate for supervisor of the Town of Hempstead in the 1980s. I lost the election, but was very involved in Democratic politics. I'm still a committee woman in my town.

In 1965 I graduated with BA in English and earned an MBA in finance from Hofstra in 1979. Married, to Sharonann (Peterson) '66, three kids, and they collectively provided five more to love. Still actively working, my own firm, consulting in group health care coverage with a primary focus on union-related plans. Never have gotten past thinking a pun is the lowest form of humor, but the best. Bright use of language is the peak of funny. Most vivid memories? My first year, New College ... the rest of the campus called us the "zoo." Close to the truth. But, a marvelous year; the most intellectually creative I can imagine.
