May 21, 2017

Dear Class of 1967,

On behalf of Hofstra University President Stuart Rabinowitz and the Office for Development and Alumni Affairs, we take great pleasure in welcoming you to your 50th anniversary reunion.

This is a wonderful opportunity to observe firsthand the dramatic changes that have taken place at Hofstra University, particularly in recent years. Please take some time to reminisce and connect with classmates and friends – and appreciate how you and every member of the Class of 1967 are links in a very strong chain.

Thank you for participating in the preparation of this yearbook. It contains biographical information taken from the forms that you and your classmates provided up to the time of printing.

Keep in touch! Get involved! Enjoy!
