

METHODS OF GIVING

Members can make gifts via check, payable to Hofstra University, or credit card using MasterCard or Visa.

MATCHING GIFTS

Many companies have matching gift programs for contributions made by employees. The Pride Club qualifies for most matching gift programs. Contact your employer's human resources department for more information.

GIFTS OF SECURITIES

Gifts of appreciated stock (i.e. stock transfers) are tax efficient ways to support Hofstra Athletics.

DESIGNATING YOUR GIFT

You may designate gifts to a specific sport or sports. In addition, you may designate your gift to the Capital Improvements Fund, Pride Club Unrestricted Fund or the Women's Athletics Fund. Please be sure to indicate your gift designation with your contribution. Fifteen (15) percent of your contribution will be applied to the Pride Club Unrestricted Fund for operating costs, with the remaining (85) percent towards your designation.

ATTENTION YOUNG ALUMNI!

The Hofstra Pride Club is proud to offer the Young Alumni Program! Through this program, all alumni who graduated within the last 10 years are eligible for increased giving credit toward their annual giving category. That is, young alumni who contribute \$100 are eligible for Lion Pride benefits. Be sure to check "Young Alumnus" on the membership application.

HOFSTRA PRIDE CLUB

THE HOFSTRA PRIDE CLUB

Established in 1989, The Hofstra Pride Club provides additional financial resources and fan support that is necessary to achieve and sustain success in Division I college athletics.

Each year membership contributions augment the operating needs for recruiting, team travel, and to enhance equipment. Gifts also help fund department wide capital projects and bolster scholarship support for our student-athletes.

THE DUTCHPOINT SYSTEM

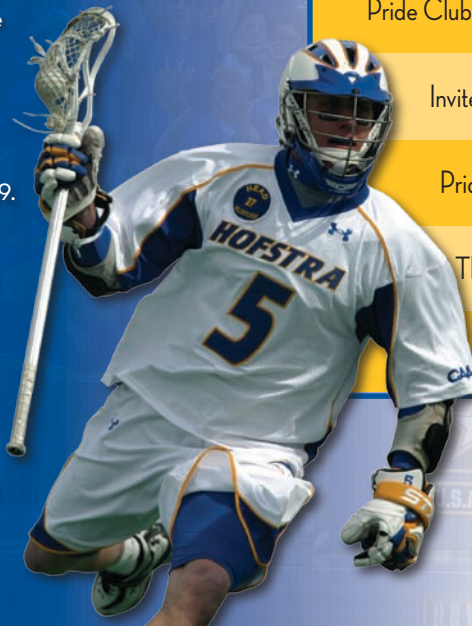

The Dutchpoint system is an equitable way to determine seating priority among Pride Club members. The system is designed to reward loyalty for consistent giving, as well as encourage new contributions in the current membership year.

ACCUMULATING DUTCHPOINTS
