Dear Sir/Madam

I realise this is a very long shot and I'm pushing my luck but I was wondering if there was any chance I could squeeze into the conference on Clinton in November?

I have only just seen reference to the conference and there looks to be a paper on Northern Ireland by Professors Dumbrell and Lynch which would complement my own work.

I would propose to deliver a paper on Bill Clinton and the Northern Ireland peace process using a theatrical metaphor to understand the impact of his Presidency on the conflict.

Please let me know if there is any chance I could get in at this late stage?

Yours sincerely
