Dear Natalie,

As per our prior correspondence, I am enclosing two copies of my paper, "*Clinton and Gun Control: Boon or Bane?*" for possible delivery at the Clinton Conference. I hope it meets with your approval ( I would be grateful, for planning purposes, if you could let me know when paper acceptance decisions will be made). **Note that it covers more than one topic, as it pertains not only to Domestic Policy, but also to Congressional Relations, and Clinton's "New Democratic" (i.e. "Third Way") politics, so it could be subsumed under any one of these categories.**

I look forward to hearing from you, and trust that the Presidency Research Group has been helpful in publicizing the conference.

Regards,
