Presentation by VP Barkwill

P&B

Planning and Budget met on Monday Dec 4th at 11:15. We met with Vice President Joe Barkwill. VP Barkwill updated the committee on the many construction projects happening around campus.

- Renovations of the bathrooms in the Towers are on going, 4 towers have been completed , 2 more will be done during the summer of 2018.
- Occupational Therapy will move into the second floor of the Swim Center in January 2018.
- The new engineering building has enter the environmental and traffic study phase. The building will be located approximately where the career center is located. It will be torn down. It does not have a new location.
- There is no clear plan for Weller Hall for when the Zarb Faculty move out.
- C.V. Starr is going to be upgraded to match the new home of the Zarb School of Business. This will include renovating all bathrooms, new furniture and wallpaper.
- Berliner Hall is undergoing a 3 phase project that will be moving and adding Laboratory space.
- Café on the quad is going to become a Dunkin' Doughnuts.
- T.D. Bank will be turning into a Starbucks.
- The landscaping outside the student center (between the student center and the University club) is going to be redone and improved during the spring and summer of 2018.

Pending Unfunded project :

Exterior improvements to the library (concrete patching and power washing) and possible redesign of the 10th floor are being discussed.

Clocks

They were removed because students complained that the clocks were synced and were causing faculty to release them from class late. If you wish for your class room to have clocks reinstalled requests have to be made through the Provost office.
