Dear Hofstra Students,

In my four years at Hofstra, I have seen high levels of student activism and a strong desire to improve the campus we live and learn on. Through protests, club events, and everyday interactions, I have seen students initiate and engage in conversations that attempt to tackle difficult issues. Your willingness to advocate for yourselves and others continues to inspire me.

I am thrilled to invite you to attend the annual Town Hall meeting taking place on December 5th at 10:30 am in the Multipurpose Room of the Student Center. This event will provide students a chance to voice their questions, and concerns directly by administrators, including Provost Simmons and President Rabinowitz.

Even if you are only able to stop by for a short amount of time, please do not miss out on the opportunity to take part in this conversation and better the Hofstra experience for yourself and future members of the Pride.

I know you have opinions. Come share them and have your voice heard on December 5th.

Best,

Carissa Ramirez
Student Affairs Committee Chair
