

# 2021-2022 Verification Worksheet

## Federal Student Aid Programs

Your application was selected for review in a process called “Verification.” In this process, your school will be comparing information from your FAFSA application with copies of yours and your parent(s) 2019 Federal tax returns or transcripts, or with W-2 forms or other financial documents. The law states we have the right to ask you for this information before awarding Federal aid. If there are differences between your FAFSA application information and your financial documents, you or Hofstra University may need to make corrections electronically or by using your Student Aid Report (SAR).

Submit this information to the Office of Student Financial Services (Financial Aid) **immediately** since federal and/or University need-based aid awarded is **estimated** until this process is complete. **Failure to complete verification in a timely manner may lead to cancellation of aid.** Upon review of the documentation you submit, additional information may be required; notification of such will be made as quickly as possible. You will be notified if FAFSA corrections result in changes/cancellation of award(s).

1. Submit the completed **2021-2022** Dependent Verification Form. Make sure the form is **signed by both the student and parent**. This form contains 4 pages and needs to be filled out completely; if the answer is zero or if the question does not apply to you, write “0”, **do not leave blank**.
2. Submit **2019 Federal Tax Return(s) or Transcript(s) with all applicable schedules** for both student and parent(s), if filed.
  - You can obtain a “Federal Tax Return Transcript” by going to [www.irs.gov/transcript](http://www.irs.gov/transcript). Here you now have the option of receiving your tax transcript online instantly. For security purposes, you will be prompted a series of questions that are based on your financial history. If this is not an option for you, you may request a tax transcript online to be mailed to your home address or by calling the IRS at 1-800-908-9946. Please allow 7-10 business days to receive. Make sure to request the “Return Transcript” and not the “Account Transcript”.
  - In most cases, for electronic filers, a 2019 IRS Tax Return Transcript may be requested from the IRS within 2-3 weeks after the 2019 IRS income tax return has been accepted by the IRS. Generally, for filers of 2019 paper IRS income tax returns, the Tax Transcript may be requested within 8-11 weeks after the paper return has been received by the IRS.

**The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the web at [FAFSA.gov](http://FAFSA.gov). Please note, this option is available to *most* tax filers, not all. If you are unable to utilize this option, you can provide a signed and dated copy of the 1040 Tax Return or request an “IRS Tax Return Transcript”.**
