

Books & Supplies – Opt Out Form

I have been informed of Hofstra University's requirement per federal regulations to supply a single refund , not to exceed \$500, to all applicable students who are Pell eligible and have a credit balance caused by federal student aid funds by the seventh day of classes of the upcoming semester to pay for books and supplies.

I, _____ choose not to participate in this method of receiving funds to pay for books and supplies. By 'opting out' I understand this only means that, if eligible, I will not receive a separate refund for books and supplies by the seventh day of classes. I further understand that, if eligible, I will still receive a refund from a credit balance caused by federal student aid funds provided there is not already an authorization on file to hold this credit balance on my account.

Student Signature

Date

*This notification must be received by Hofstra University no later than **Friday, January 15, 2016** to be effective for the upcoming spring semester. Any notifications not received by this date will not be valid and may result in those students receiving a separate refund for books and supplies as described above.
