

Hello Commuters!

With the end of the semester upon us, we know many of you will be packing up and shipping home for the holidays and winter recess. To ensure that your break is enjoyable- but more importantly, safe- we want to remind you of a few safety tips:

- Be sure to lock all doors and windows of your home.**
- Do not pack your car the night before you leave: you don't want any of your belongings to be stolen or to tip people off that you will be gone.**
- Turn off and unplug any electrical appliances.**
- Remove any valuable items that may be visible from the outside.**
- Use deadbolt locks to avoid doors from being forced open.**
- Activate your home alarm system if you should have one.**
