

**HOFSTRA UNIVERSITY
STUDENT GOVERNMENT ASSOCIATION
IN THE YEAR TWO THOUSAND ELEVEN**

A resolution to ensure the normal operation of all dining locations for the entirety of the Fall and Spring Semesters, including calendar days scheduled for final exams

Whereas, many students feel it would be convenient to have dining locations operated by Lackmann Culinary Services open for consistent hours throughout the entire semester;

Whereas, students have complained about dining locations closing early during finals week;

Whereas, many students have different study habits during finals week, which affect their eating habits;

Whereas, it was stated by representatives of Lackmann Culinary Services at a previous town hall meeting during the Spring 2009 Semester that all dining locations are to operate at normal hours for the duration of the semester, including finals;

Whereas, a referendum was passed by a vote of 2090-111 during the Student Government Association elections during the Spring 2009 Semester to ensure that Hofstra University and Lackmann Culinary Services keep dining locations open for regular hours on the residential side of campus, for the duration of the semester, including finals;

Whereas, a previous resolution passed by the Student Government Association during the Spring 2009 Semester supported the extension of normally posted operating hours for all dining locations for the duration of the Fall and Spring Semesters;

Let it be resolved that the Student Government Association, the representative body of undergraduate students of Hofstra University, supports Hofstra University and Lackmann Culinary Services taking appropriate action to ensure that all dining locations on the residential side of campus operate at the normally posted hours for the duration of the semester, including finals.
