

HOFSTRA UNIVERSITY
STUDENT GOVERNMENT ASSOCIATION
IN THE YEAR TWO THOUSAND ELEVEN

*A resolution supporting Hofstra University remaining impartial in all political processes
and elections*

Whereas, the 2012 Presidential Elections are approaching and politicians of various
political ideologies have declared candidacy;

Whereas, Hofstra University will be hosting one of the Presidential Debates next year;

Whereas, the University has the power to contact thousands of students, employees,
and community members through several different forms of media;

Whereas, members of the Hofstra Community should be able to independently develop
opinions of Presidential Candidates and the political process;

Let it be resolved, that the Student Government Association supports any existing policy
suggesting Hofstra University be impartial to any political candidate or ideology
while promoting student involvement in the political process.

Let it be further resolved, that if no such policy exists, Hofstra University will remain
impartial in all political processes at the regional, state, and national level, and serve
as a venue for positive political discourse.

Respectfully Submitted:
