

Student Government Association
IN THE YEAR TWO THOUSAND AND TEN

Resolution

Whereas, many students feel it would be most convenient to have dining locations operated by Lackmann Culinary Services open consistently throughout the Spring and Fall semesters;

Whereas, many of these students remain on campus during breaks and long weekends, expecting to be able to get food at an eatery twenty-four (24) hours a day as is normal during the rest of the semester;

Whereas, it was stated by representatives of Lackmann Culinary Services at a previous town hall meeting that all dining locations are to operate at normal hours for the duration of the semester, including finals;

Whereas, a referendum was passed during the Spring 2009 semester by a vote of 2090-111 to ensure that Hofstra University and Lackmann Culinary Services keep dining locations open for regular hours on the residential side of campus, for the duration of the semester, including finals;

Let it be resolved by the Student Government Association that Hofstra University and Lackmann Culinary Services, from this point forward, must ensure that all dining locations on the residential side of campus operate at the normally posted hours for the duration of the semester, including finals.

Let it be further be resolved, that during the Fall and Spring semester there will be at least one eatery open twenty-four (24) hours a day.

Let it further be resolved, that the hours of all eateries on campus will be posted weekly on the Hofstra Portal for anyone to access them.
