A Resolution to Support the Enforcement of the Current Smoking Ban

Whereas, between the hours of nine o'clock in the morning and five o'clock in the evening on the dates of March ninth, tenth, and eleventh, the Hofstra University Student Government Association polled undergraduate students at an event known as *SGA at the Corner*,

Whereas, 508 students were polled and feedback was collected,

Whereas, one of the questions asked "Do you support stricter enforcement of the smoking ban on South Campus (academic side) such as an increase in summons (i.e. fines)?"

Whereas, 188 students responded "no" and 320 students responded "yes," indicating 63% of the students polled support stricter enforcement,

Let it be resolved that the Student Government Association supports stricter enforcement of the current smoking ban on the South Campus (academic side).

Respectfully Submitted,

Alyson Guarino, President

Damian Gallagher, Vice President

Rita Cinqemani, Student Services Chair
