

Student Government Association

*In The Year Two Thousand and Ten*

Resolution:

*Whereas*, stops signs are precautionary measure put in place as means to prevent accidents involving automobiles and civilians;

*Whereas*, there are not enough stop signs placed in parking lots throughout the Hofstra University campus;

*Whereas*, most of the intersections within the parking lots of Hofstra University do not have any stop signs, resulting in numerous accidents;

*Furthermore*, more stop signs placed on campus would efficiently protect the lives and properties of students, faculty, employees and guests, allowing everyone to have their mind at peace, knowing that there has been an extra step taken to strive for a safer parking lot;

*Let it be resolved*, that there will be two stop signs placed at every intersection in the parking lots on campus.

Respectfully Submitted,

Senator Franky Vivacqua
