          - a. Debate
            - 1. Senator B. Schafer- I don't think SGA has the jurisdiction to make an 18<sup>th</sup> credit possible, and I don't want it to be misleading to those taking the survey.
            - 2. Academic Affairs Chair V. Rametta- I think that the question doesn't exactly lead to say that SGA would implement it, and it would be a difficult task to achieve. This is something that I've heard complaints about all year long. This is our way of polling, respectfully, and showing administration that students are looking for this to change.

3. Senator B. Scalise- I understand both previous speakers. The reason Academic Affairs
  4. Programming Chair C. Rauchle- While it was Ben's point that we talk to administration first, a lot of times they ask us how the student body feels. This way we can bring it to admins and show them the research we have.
  5. Referenda passes with one objection.
- d. Are you in favor of establishing a midterm deadline (i.e. professors cannot administer a midterm beyond an established date)?
1. Academic Affairs Chair V. Rametta- Columbia University actually does this already and the Provost asked us to put this into a referenda. Many students voice complaints about this over the last semester,
    - a. Advisor R. Kaplan- would this be possible with all professors, I know some have 4 'midterms' a semester, which are really just tests?
    - b. Ethics and Conduct Chair M. Elliot- would professors be comfortable having a midterm week? Having to cancel all classes?
      1. Academic Affairs Chair V. Rametta- there were 3 option brought up, a midterm week, a midterm zone, and a midterm deadline. What we're shooting for is a midterm deadline.
    - c. Senator S. Kahn- does this mean that professors that don't have midterms will have to have them?
      1. Academic Affairs Chair V. Rametta- no, this isn't going to set anything into stone, just get people thinking.
      2. Referenda passes without objection.
- e. Would you prefer a hard copy of the New York Times over the current electronic version?

  3. Passes without objection.
- f. Should Hofstra USA offer Beer on tap?
1. Academic Affairs Chair V. Rametta motions to add, "for those 21 and over" to the end of the referenda. Objected
    - a. Academic Affairs Chair V. Rametta- if we add this it will look more friendly to the administration. It will be more likely and more easily implemented if possible. They will not sell alcohol to those under
    - b. Senator M. Andrews- students should know that they have to be 21 to drink legally
    - c. Senator R. Singh- I agree with the previous speakers, but I think we can't over or underestimate the student body.

      - 2. Student Services Chair A. Figueroa- is there a reason why there's no value in here?
        - a. Comptroller M. Hershfield- people will just ask why they have to pay more money that way.

## *Academic Affairs Committee Minutes*

### *April 23, 2012*

Present: Brittany S., Melanie P., Alyssa L., Alexander Z., Megan A.  
Unexcused: Yeri L.

Called to order at 6:18pm

Agenda:

#### **1. Renovated space in Library**

- a. The official opening of the space was on Monday morning. Been receiving a lot of great comments about the space – used very frequently so far!

#### **2. Services for Students with Disabilities meeting**

- a. Melanie, Brittany, and I will be attending a meeting with SSD Director Julie Yindra to decide the next steps
- b. Condensed the resident hall surveys

#### **3. Individual Quantitative Methods Tutoring**

- a. Senator Gambord voiced her concern about the lack of individual tutoring of the QM classes taught at Hofstra.
- b. Reached out to Advisement Dean, Anne Mongillo, to ask why and if there's a possibility for change: awaiting response.

#### **4. NYT publicity**

- a. Ron meeting with Rubey on Wednesday to discuss the edited version of a flier publicizing the online version of the NYT.

#### **5. Research for International Business Major**

- a. Yeri researched many schools: although many schools do not have the same major, NYU has a similar, if not better program.
- b. Among the 10 universities researched, only Hofstra University requires a course taken in 'western civilization', whereas the similar program at NYU requires one week study abroad at an international corporation in the individual's respective area of study.
- c. Next step: contacting the Chair of the Marketing and International Business Department, Benny Barak.

#### **6. Provost Scholar Reception**

- a. Is this Monday! Yay for keeping the tradition going strong!
- b. Ron and Brittany are so generously giving up their time to help – Thanks so much!

Meeting Adjourned at 6:45pm

*Lets finish strong everyone! 😊*

Respectfully submitted at 11pm Tuesday,
