

IPAD: E-Reader options

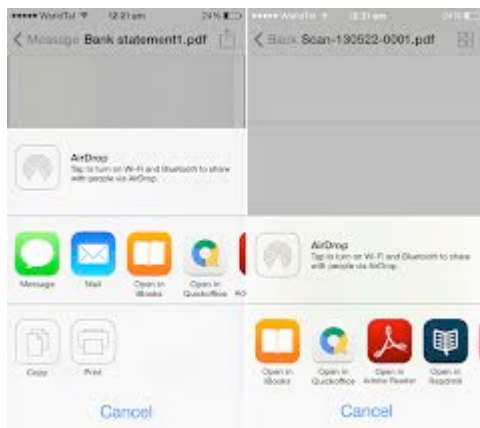

1. A pdf of your book will be sent to you via dropbox. (www.dropbox.com)
2. You should download the Dropbox app onto your IPAD

3. Once you open the file on your IPAD, you will select the “open with” icon below on your IPAD:

4. Then you will click on “Open with Ibooks”

5. Launch the **Settings app** from the Home screen of your iPhone or iPad.
6. Scroll down and towards the bottom, tap on **Accessibility**.
7. Tap on the **Speak Selection** option and turn it to **On**.
8. You can further customize the speed at which your iPhone or iPad reads the text and the dialect it uses. Once you're done, just tap the **Home button** to return to the Home screen.

How to use Speak Selection on iPhone and iPad

1. Launch the app containing the text you'd like your iPhone or iPad to speak back to you.
2. Hold your finger down on the text you'd like it to read to pull up the copy/paste menu.
3. Highlight the text and in the text edit popup, select **Speak**.
4. Your iPhone or iPad will now speak the text back to you.
