Top Ten Tips for Transfers

1. **Parking** – All vehicles must be registered with the department of Public Safety before parking on campus. A map of designated parking lots and policies can be found at www.hofstra.edu/parking
2. **Dining on campus** - Hofstra's dining program boasts 18 retail restaurants locations, including a 24 hour dining service. Each location has its own identity with numerous food concepts and a large variety of grab & go items that can be enjoyed anywhere, anytime.
3. **Transportation** – The university offers free campus shuttles to both Mineola and Hempstead LIRR stations. Schedules are available online at www.hofstra.edu/directions
4. **Writing Center** – Have experts review and assess your work. The Writing Center is located in 102 Mason Hall.
5. **Library and Tutorial Services** – The Axinn Library is located at the south end of the Unispan (pedestrian bridge) connecting the student center. In addition to a café, research materials and computers, the university's tutorial program is also housed here. Group and individual tutoring sessions are available. Don't need a tutor? You can also become a tutor in a subject through the Center for Academic Excellence.
6. **Hofstra University Museum** – Stop by this hidden gem featuring rotating exhibits from the permanent collection of approximately 5000 works of art in the Emily Lowe and David Filderman Gallery.
7. **Student Employment** – Looking to work on campus? The Office of Student Employment can help you with jobs that are both work study and non-work study positions. Visit hofstra.edu/studentemployment for current openings.
8. **Student Organizations** – What do you plan to do outside the classroom? Hofstra has over 230 different student organizations. Your first step to getting involved is at the Club/Organization Fair during Welcome Week on Monday, September 4, 2017. See a list of current organizations at hofstra.campuslabs.com/engage/
9. **Religious Life on Campus** - The Interfaith Center at Hofstra University consists of the Jewish, Muslim, Protestant, and Roman Catholic chaplains and their ministries. Stop by their offices on the second floor of the student center to get started.
10. **Places to Hangout** – Whether it's a space to relax or to study, there are many lounges scattered across campus. On campus students have access to lounges in their residence halls. Commuter students often are found in Bits and Bytes (Memorial Hall), the Pride Den (lower level of the Student Center) and the Commuter Lounge (first floor of the Student Center)
