

Welcome to Hofstra University!

As one of the newest members of the Hofstra family, you – and thousands of other students – now have access to campus resources, over 200 student clubs and organizations, and the many social, cultural, and career opportunities of the New York metropolitan area.

We have planned an exciting week filled with programs and activities that will help you get better acquainted with Hofstra's campus and become an engaged and involved student. Please look through this program and plan your Welcome Week by selecting events that interest you. Be sure not to miss the required (and awesome) events.

You must have your HofstraCard with you at all times. You will need it for identification, meal/snack purchases (if you have a dining plan), and entry into events and residence halls (if you live on campus).

This week, sophomores, juniors, and seniors will serve as your Welcome Week Leaders (WWLs). WWLs will assist you during move-in, help run programs and events, and lead discussions. You will meet your WWL at 4 p.m. today (Thursday, August 30). Your check-in information will tell you where to meet your leader. Take time to get to know your leader and build friendships with your group members! And, most important, have fun!

About Our Welcome Week Coordinators

Kiran Ahmad ('20)

Kiran Ahmad is from New Jersey and is in the Legal Education Accelerated Program (LEAP), with a major in economics and a minor in philosophy of law. As the programming coordinator, she is organizing all of the programs for Welcome Week, including Explore Next Door trips to New York City, educational seminars, and various other social events. Welcome Week was an amazing experience for her and granted her a smooth transition into college, so much so that she served as a Welcome Week Leader in 2017. Kiran is excitedly anticipating Welcome Week 2018 and looks forward to embracing the incoming class!

Logan Kinkade ('20)

Logan Kinkade is a third-year fine arts design major and drama minor from Russellville, Arkansas. As a recent transfer, Welcome Week 2017 was where Logan met some of her closest friends, found sisters, and started her life here at Hofstra! Throughout the summer, she has managed the logistics and handled social media for Welcome Week 2018. Logan can't wait to welcome first-year and transfer students to their new home at Hofstra!

Ellen Boyle ('19)

Ellen Boyle is a senior majoring in tv/video and business and hails from Montville, New Jersey. Ellen's role in this Welcome Week is to recruit, hire, and train the Welcome Week Leaders who play a vital role in making the five days run smoothly. She also organizes the club fair for first-year and transfer students to get involved in the Hofstra community. Three years ago, Ellen's time at Welcome Week helped calm her nerves about college, and gave her the opportunity to get involved in clubs that she is still a part of. Ellen is eager to welcome the Class of 2022 and help them make memories in a new place to call home.
