

DUAL-DEGREE APPLICATION/WAIVER/SUBSTITUTION FORM

Undergraduate students (UG) not enrolled in a dual-degree program, who wish to take graduate courses, must use the general Waiver/Substitution Form.

- Undergraduate students must be admitted or conditionally accepted into the graduate program before being eligible to take any graduate-level courses as part of undergraduate dual-degree program.
The number of courses allowed to be waived/substituted is limited to the number of credits specified by the dual-degree requirements. Specific dual-degree requirements can be found in the Bulletins.
This form must be submitted prior to or at the time of registration for graduate courses. The form must be signed by the appropriate Chair/Program Director of the dual-degree program, who will submit the form to the Office of Academic Records/Registrar.
