How All Declining Balance Dining Plans Work

All declining balance plans come with a predetermined number of points. One point is equivalent to one dollar. Points are deducted from the proper account each time a purchase is made. You will be automatically billed in the spring semester for the same plan that was selected in the fall semester. You must contact the Office of Residence Life if you wish to change or cancel your spring dining plan in accordance with the dates outlined below. **Unused fall semester points are carried over to the spring semester only if you purchase a plan of equal or higher value for the spring semester.** It is a condition of residency that all undergraduate students living on campus select a dining plan.

Fall semester points may be used from Thursday, September 1, 2016, through Wednesday, January 25, 2017. If you do not purchase an equal or higher value plan for the spring semester, you shall forfeit any unused points as of January 25, 2017. Spring semester points may be used from Thursday, January 26, 2017, through Sunday, May 21, 2017 (spring commencement).

All unused points are forfeited as of May 22, 2017. The deadlines for dining plan changes and cancellations are September 20, 2016, for the fall 2016 semester, and February 13, 2017, for the spring 2017 semester. No changes or cancellations will be accepted after these dates, regardless of dining plan usage. Designated dining locations may be closed during holidays or when classes are not in session. All purchases made using dining plans are exempt from sales tax. To the extent multiple dining plan selections or contracts are submitted by you or your parent/guardian, the highest-priced plan will apply.

If you have any questions, concerns or special needs, such as medical and/or dietary requirements, please call Dining Services at 516-463-7050.

I have read and acknowledge the above policies regarding dining plans and agree to be legally bound by these terms and conditions. I understand that I am responsible for the full cost of the dining plan selected above, regardless of my usage. I understand that the dining plan I selected for the fall semester will be automatically renewed for the spring semester. I understand that if I do not change or cancel my dining plan by the established deadline, I will be held financially responsible for the full cost of the plan I selected in the fall semester, for the entire academic year. I understand that if I do not pay the full amount due under this dining contract, or any other amount due on my student account, I will be responsible for all costs and expenses associated with the collection of such unpaid amounts, including the fees of any collections agency, which may be based on a percentage of the total balance due (up to a maximum of 45 percent of the total balance due) and reasonable attorney's fees.
