How All Declining Balance Dining Plans Work

All declining balance plans come with a predetermined number of points. One point is equivalent to one dollar. Points are deducted from the proper account each time a purchase is made. **You will be automatically billed in the spring semester for the same plan that was selected in the fall semester.** You must contact the Office of Residence Life if you wish to change or cancel your spring dining plan in accordance with the dates outlined below. **Unused fall semester points are carried over to the spring semester only if you purchase a plan of equal or higher value for the spring semester.** It is a condition of residency that all undergraduate students living on campus select a dining plan.

Fall semester points may be used from Sunday, August 26, 2018, through Wednesday, January 23, 2019. If you do not purchase an equal or higher value plan for the spring semester, you shall forfeit any unused points as of January 23, 2019. Spring semester points may be used from Thursday, January 24, 2019, through Sunday, May 19, 2019 (spring commencement).

**All unused points are forfeited as of May 20, 2019.** The deadlines for dining plan changes and cancellations are September 19, 2018, for the fall 2018 semester, and February 11, 2019, for the spring 2019 semester. No changes or cancellations will be accepted after these dates, regardless of dining plan usage. Designated dining locations may be closed during holidays or when classes are not in session. All purchases made using dining plans are exempt from sales tax.
