Please be aware of our practice regarding lab results:

- If you have a follow up appointment with your provider the labs will be reviewed at the scheduled appointment.
- If there is a result that cannot wait until the next visit, we will notify you.
- Please be aware that due to HIPPA federal regulations some lab results cannot be discussed over the phone.
- If you would like the results from the Health and Wellness Center, you can pick the labs up at our office or we will fax them to your provider. Results cannot be mailed.
- You may call for results within **48-72 hours** of your labs being obtained, **between 9AM – 10AM at (516) 463-6745**.
