Dear Parents,

We look forward to welcoming your child to Hofstra Summer Camps. We ask that you read through the information contained in this handbook before your child begins camp. It provides you with the information you need to ensure a safe, fun experience for your child this summer.

The camp experience is a rich environment full of exciting new beginnings, new friends and new achievements, combined with new growth and independence. The essence of camp is the presence of supportive relationships, meaningful opportunities, and challenging activities in a physically and emotionally safe environment. It is a place designed for children, where they can explore and discover an important rite of passage for today’s children.

Camp gives children opportunities for safe risks, enabling them to take chances and reach new heights. Camp nurtures curiosity and invites creativity, which are precursors to discovery and growth. We intuitively know that in order for children to become healthy, productive citizens, they will need to be able to navigate the world in which they live. We understand, as parents, that if a child is to achieve success, he or she must be able to exercise mind, body and soul.

Giving your child the gift of camp is sure to create many treasured memories for your entire family.

Best regards,
Terry Ryan, Director
Fran Bruscino, Assistant Director

Please note that is not our policy to force any child to participate in an activity. We will do our best to make the activity enjoyable so that your child will wish to participate.

OFFICE HOURS

The camp office is open year-round, Monday through Friday from 9 a.m. to 5 p.m.

CAMP HOURS

During the months of July and August, our office is open Monday through Friday from 8 a.m. to 6 p.m. We are closed July 4 (national holiday).

BUS TAGS

Please have your child wear the bus tag on the first day of each session. The bus tag will list your child’s sports camp or specialty title, recreation group number and bus number. Please inform your child of the bus number so he or she knows to remember it each day. The bus tag is sent the week prior to each session; bus numbers and routes may change each session.

ABSENCES

When the bus arrives, please wave the bus on so the driver knows not to wait for your child. You may save a message at (516) 463-6514. Campers are not permitted to change or make up days missed from the regularly scheduled camp session. There is no credit or refund for missed days.
AMERICAN RED CROSS INSTRUCTIONAL SWIM PROGRAM
Most of our camp families strongly desire instruction in swimming for their children. We provide American Red Cross instruction every day with some free time swim for campers enrolled in specialty camp. Please send a note if you do not wish for your child to participate in instructional swim. Campers enrolled in any of our sports camps have the option of free time swim.

VISITING
We do not have special visiting days at Hofstra Summer Camps. You are welcome to observe your child during his or her swim period from the observation deck at the Swim Center. Please call to let us know when you are coming and to find out when your child will be swimming.

EARRINGS
We cannot allow campers to participate in any possible contact sport while wearing earrings. The damage to a child’s ear when hit by a ball can be significant if the child is wearing earrings.

EYEGLASSES
Campers play sports (baseball, basketball, wrestling, lacrosse) that could lead to a broken pair of eyeglasses. We suggest that your child wear safety glasses (i.e., Rec Specs). We cannot be responsible for broken eyeglasses.

MEDICAL CONCERNS
All campers are required to have a completed Hofstra Summer Camps medical form on file before camp begins. Please be sure that you complete the medical history and your physician completes the physical examination. Please provide us with as much information as possible concerning your child’s health history, allergies, medications, and any special needs. All medical forms must include an up-to-date immunization record and emergency contact information, and must be signed by a parent or legal guardian.

MEDICATIONS
All prescription medications in their original labeled containers must be brought to the camp infirmary on the Thursday (1-3 p.m.) or Friday (10 a.m.-noon) prior to the opening of camp. They will be stored in our infirmary and administered as prescribed by your physician on your child’s medical form. Non-prescription medications such as Tylenol or Benadryl may be administered only with the signed approval of your physician. Campers are not permitted to carry medication at any time.
**MEDICAL NOTIFICATION**
It is our policy to notify you if your child becomes ill during the camp day or suffers an injury other than minor bumps, bruises, or scrapes.

**SAFETY PROCEDURES**
- Certified athletic trainers monitor air quality.
- Campers are given ready access to water at frequent intervals.
- Whenever possible, we bring outdoor activities into air-conditioned facilities, or to cool, shaded areas.

Our first concern is for your child’s safety; therefore, we reserve the right to take the following actions in very hot weather:
- Reduce physical activities.
- Substitute sedentary activities for sports.
- Provide activities unrelated to your child’s specialty, e.g., movies.

The use of sunscreen is highly recommended by our medical staff and the New York State Department of Health. It is best to apply sunscreen on your child before he or she leaves home in the morning. You may wish to send along additional sunscreen to be applied later in the day. We keep an emergency supply at camp.

GRATUITIES

Tipping ... The No. 1 Question
This is a personal decision. It should be based upon your child’s accomplishments and your personal feelings. We offer the following guidelines.
We are often asked, “How much should I tip?” and “Whom should I tip?” and “When should I tip?”

Questions you may want to ask yourself:
Does my child talk about his/her counselor?
Does my child talk about what he/she does during the day?

Speciality Camp
First, decide how much you want to tip in total. Then you may choose to divide that amount in any way among your child’s counselors. Each session, your child’s specialty, recreation and swim counselor will place fliers in the child’s backpack with their names on it. The recreation and swim counselor remain the same for the duration of camp. These can be sent in at the end of each session or at the end of your child’s stay at camp, whichever works best for you.

Sports Camps
Please ask your child to give the envelope to his or her counselor at the end of each session.

We provide the following suggestions based upon a two-week session:
Cub Counselor $20 per week
Recreation Counselor $10 per week
Specialty Counselor $10 per week
Swim Counselor $10 per week
Sports Camp Counselor $10 per week
Bus Counselor (where applicable) $5 per week
Bus Driver $5 per week (Drivers and routes are subject to change each session.)

Session Four – your camper’s staff will change

When should I tip?
If your camper is changing his or her specialty or sports camp each session, we suggest that you send an envelope at the end of each session. Have your child’s name and recreation group on the front of the envelopes so that he or she may give it to the recreation and swim counselors personally or you may have your child give it to the director, who will distribute it to the counselors accordingly.
