Introduction

The Club Sports Program consists of student organizations that offer competition in a particular sport on a recreational collegiate level to enhance the experience of Hofstra University students. They are intended to be recreational or competitive, as well as educational and instructional in an effort to connect students who share a common interest. They are voluntary and welcoming of any and all skill levels.

Each club is self-managed by student leaders within the club. They receive administrative support from the Department of Campus Recreation (located in the Fitness Center), the Dean of Students Office, and the Office of Student Leadership and Engagement (OSLE). All clubs are funded by student fees and governed by the Student Government Association (SGA).

Play with PRIDE Guidelines

Play with PRIDE is an initiative at Hofstra University to create successful college and community-centered club sports and wellness and recreation clubs. Hofstra utilizes the following program as a way to assess the current status of the team & community, create strategic plans, and recognize and reward teams for their hard work and contributions.

**Purpose**

The purpose of Play with PRIDE is the following:
- Provide assessment information to Hofstra University
- Create strategic plans to help each team strive for excellence
- Identify excelling teams for recognition

Play with PRIDE (PwP) has been designed to provide Campus Recreation with a progress report for all teams at the end of each semester. Each item will be assigned a point value, and the team will be given a total score based upon all questions on the report.

PwP is comprised of questions regarding many facets of team operations. Some questions will require short answers while others will require verification to be uploaded. Verification can be in the form of letters, emails, documents, pictures, flyers, curriculums, a list of attendees, and/or other items that can accurately verify attendance and/or participation related to a particular item. Acceptance of verification is at the discretion of Campus Recreation.

**Scoring**

Play with PRIDE is based on Hofstra’s values. Each category will have different requirements that will be rated on the following scale:
