

THE CENTER FOR "RACE," CULTURE AND SOCIAL JUSTICE COLLOQUIA SERIES

FOSTERING EQUITY AND INCLUSION IN STEM EDUCATION

A COLLABORATIVE, MULTI-DISCIPLINARY, MULTI-INSTITUTIONAL APPROACH

Presented by Jessica Santangelo,
Associate Professor of Biology,
Hofstra University

The (STEM)2 Network's mission is to provide an equitable and inclusive STEM higher education experience for students. The Network focuses on the pivotal role of faculty in transforming undergraduate STEM education from within.

The teams Professor Santangelo leads have secured more than \$1.5 million in funding to create a more equitable and inclusive higher education community. She works with faculty, administrators, and students at Hofstra and other institutions of higher education to support student success in the sciences. **Please register in advance for this event.**
