FOOTNOTES

Drugs are dispensed in accordance with EmblemHealth's Drug Formulary. Please refer to your Prescription Drug Rider for details.

The out-of-network benefits portion of this Certificate provides coverage when You receive Covered Services from Non-Participating Providers. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider's charge. Some Covered Services, such as Acupuncture, Urgent Care, Telemedicine, and Prescription Drugs are only Covered when received from Participating Providers and are not Covered as out-of-network benefits.

We determine the allowed amount paid for Covered services received from health care providers not in our network of participating providers. Please refer to your plan documents for out of network reimbursement information. Member is responsible for any difference between the plan payment and the out of network provider's bill charged.
