Discussion of the Environmental Priorities Committee (Kris Lotier)

- One of the major goals of the survey is to gauge how much people are aware of the initiatives on campus
- Another focus is to evaluate relative levels of interest
 - o Especially true for students and a “green fee”
- The committee discussed each question in turn, making suggestions for improvement and clarification.
- Motion to approve the survey with suggested amendments. Seconded. Approved unanimously.
- Kris Lotier will finalize the survey and send it back to Planning and Budget. Planning and Budget will then forward the final version to the Senate Executive Committee for approval.

Move to adjourn. Seconded.

The meeting adjourned at 2:00 pm.
