on the Hofstra portal.*

hofstra.medicatconnect.com

@HofstraSHS

The team

NP led team with coverage 7 days a week, including evening hours

Experienced clinicians with varied backgrounds

No direct cost, no copay for visit

Lab and prescription services are not provided directly by SHS

Partnerships

Single point of contact

Come to SHS first and we will facilitate all care

- CEMS
- Imaging
- Specialty care & community referrals
- Hospitals

Services

- General medical care
- Education
- Injury evaluations
- Immunizations
- Health screenings for clinical placements
- Point of care tests, as indicated
- Lab on site
- Care coordination

COVID Response

- COVID Cases
- Care & housing
- Tracking & contact tracing
- Connection with DOH
- COVID 19 Testing

Appointments

- We are appointment based
- Same day appointments are based on urgency
- Students can self schedule using the Medica app on the Hofstra portal, call, or walk in
- Hours
 - Monday to Friday, 9 – 7 , Weekends 10 -6 during the academic year
 - We are here during all breaks
 - Summer hours are M-F, 9-5 at minimum

Patient Portal

- Just like most other medical practices, there is a secure patient portal that we used to engage with patients that we see:
 - Scheduling
 - Patient education and instructions
 - Secure messaging
 - Form uploads
 - “Quick questions” – One of our clinicians will respond with guidance
- Questions of a general nature, or those that do not contain personal health information can be sent to SHS@hofstra.edu
 - Immunization records, health records and matters requiring immediate attention should not be sent to this email address

NYS Vaccination requirements

- We ask that all immunization records be submitted PRIOR to arriving at NSO
- Alternatively, bring them with you to NSO and we will walk through it with you.
- Students enter dates **AND** the images of the records into Medicaat (Hofstra.Medicaatconnect.com) and we will verify them and follow up if there are any concerns.
- NYS requires proof of vaccination against/ immunity to Measles, Mumps and Rubella AND an acknowledgement of information regarding meningitis as evidenced by either:
 - Having received the meningitis vaccines (strongly encouraged)
 - Declining meningitis vaccine. Declination requires completing and uploading the declination form.

Vaccine Availability

- We keep several vaccines on hand, and can order most others that would be needed – including those for travel:
 - HAV
 - HBV
 - Tdap
 - Meningitis vaccines
 - HPV
 - MMR
- Patients can either cash pay (at cost) or we can order through pharmacy of their choice
- Flu vaccine and COVID vaccines and boosters are available at no charge
 - Dates and times for the Fall will be announced to students and posted on our website and social media
