## How Your Dining Dollars Work

Dining dollars are similar to a debit account in that a dollar amount is added at the starting point and then charges are subtracted based on individual items purchased at the on-campus dining facilities. **Unused fall semester dollars are carried over to the spring semester.**

Fall semester dollars may be used from Friday, August 22, 2025, through Thursday, January 15, 2026.

Spring semester dollars may be used from Friday, January 16, 2026, through Sunday, May 17, 2026.

**All unused dollars are forfeited as of Monday, May 18, 2026, and are nonrefundable.** Designated dining locations may be closed during holidays or when classes are not in session. All purchases made using your dining dollars are exempt from sales tax.

If you have any questions, concerns, or special needs, such as medical and/or dietary requirements, please call Dining Services at 516-463-7050 to speak with the dietitian.

*I have read and acknowledge the above policies regarding dining dollars contracts and agree to be legally bound by these terms and conditions.*
