The Undergraduate Tutorial Program is now using **Nimbus**!
Download it today and set up your account to find available tutors.

1. Scan the QR Code to download **Nimbus** on your mobile device
To access from a computer, visit web.nimbuslearning.com
2. Click “Sign in with your institution’s email”
3. Scroll down and select Hofstra University
4. Log in with your Hofstra username and password
5. Choose the organization Undergraduate Tutorial Program
6. Search for your course (e.g., ACCT 101)
7. Select an available tutor
No tutor available? Visit hofstra.edu/tutoring to see if the course is offered by another program on campus or submit a course request in Nimbus. While we cannot guarantee a tutor for every course, your submission helps us plan support for future semesters.
8. Click “Book a Session” at the bottom of the screen
9. Select a date and time from the calendar
10. Select the location
11. Enter your session information
12. Review the appointment and hit “Request”
13. Your tutor will respond with confirmation!
