

How to Find Science Tutoring Hours

3rd Floor Axinn Library | hofstra.edu/tutoring | utp@hofstra.edu | (516) 463-4002

The Undergraduate Tutorial Program is now using **Nimbus!**
Download it today and set up your account to find our
schedule of Science Walk-in Tutoring Hours for **Biology,**
Chemistry, and **Physics & Astronomy.**

1. Scan the QR Code to download **Nimbus** on your mobile device
To access from a computer, visit web.nimbuslearning.com
2. Click “Sign in with your institution’s email”
3. Scroll down and select Hofstra University
4. Log in with your Hofstra username and password
5. Choose the organization **Science Walk-in**
6. Search for your course (e.g., BIOL 112)
7. Click on the tutoring group
8. View the schedule of hours by day or week
9. Save the hours for future reference!

Note: The courses covered by our Science Walk-in Tutoring Hours are not available for 1-on-1 appointments.
